story, cloze activity, and quiz

Reading suggestions: Talk about the picture and make connections (who has seen this animal or has this animal as a pet). Read as a class. Have student underline/highlight certain key words as you read. Pause and have students say the next word.

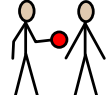

Have students read with a buddy. And then on their own. Have them complete the cloze activity with or without access to the story depending on how hard you want to make it. Same with the quiz.
